Dear George and Sebastian,

We wish to express our most sincere gratitude to you from the Village of Justice and the residents that we serve.

Your generous donation of more than 60 turkeys plus the pick-up and delivery of same, as well as additional funds for other food items, made bountiful holiday meals possible for so many underprivileged families in our community. It is so very gratifying to know that when we reach out for help from our business community we can always count on your willingness to partner with us at the Village of Justice in whatever initiative we perform for the benefit of the residents.

It is our sincere hope that Technicraft Auto-Body and the Village of Justice will continue our long association and level of cooperation, for many years to come.

Yours truly,

Krzysztof Wasowicz
